was another restaurant in proximity to this restaurant that had issues with patio service after football games. His client operates over 800 restaurants across the country and has never had any problems related to serving alcohol. COUNCILWOMAN TARKANIAN agreed that management for this location is excellent and that it was another restaurant that had issues. She thanked the owners and management for being responsible.

JIM DiFIORE, Manager of Business Services, stated that the applicant was previously approved for beer/wine sales only. Since then, the applicant sought a restaurant/service bar special use permit and license in order to be able to serve margaritas. Therefore, MR. DiFIORE read for the record amendments to the original conditions that would include alcohol sales limited to beer/wine/margaritas and no alcohol to be consumed on the patio area, with signs posted in accordance with the condition.
